Dear Mr. Ryan:

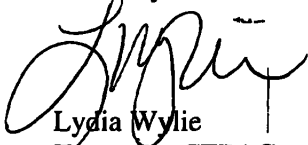

This communication is in response to your letters, dated January 28, 2014 concerning the above-referenced Identification Number, and our telephone conversation on January 30, 2014.

Chevron Employees Political Action Committee – Chevron Corporation (CEPAC) is in full compliance with 2 U.S.C. Sec. 441(e)(a) and 11 CFR Sec. 110.20, which prohibit foreign nationals from making contributions in connection with any election for political office or in connection with any primary election, convention, or caucus held to select candidates for any political office.

CEPAC inquires into whether the source of all funds solicited, accepted or received is a foreign national. CEPAC's process for verifying that every contributor is a U.S. citizen or permanent resident is to require every prospective contributor to certify in writing that s/he is either "a U.S. citizen or a permanent resident (green card holder)" before any contributions to CEPAC are accepted. No CEPAC contribution is accepted without receiving this certification. All of the individuals listed in the chart entitled "Contributions from Possible Foreign Nationals" have certified that they are either U.S. citizens or permanent residents. CEPAC retains these records. Chevron Corporation and its affiliates also have records of the citizenship status of its employees.

Please let me know if you require any additional information.

Sincerely,

Lydia Wylie
Treasurer, CEPAC
